

CAP CYBER PROGRAMS NATIONAL CYBER MISSION TEAM VOLUNTEER OPPORTUNITY Logistics Support (Senior Member)

The National Cyber Mission Team is seeking support in the area of logistics.

This will be an additional duty (ADY) assignment to the National Cyber Mission Team; the selectee will remain with their home unit and not transfer to the NHQ Volunteer Staff.

The application period opens 5 January 2021 and closes on 15 January 2021. Please refer to the Application Requirements section for details prior to application submission.

You will work on a team engaging in various activities to support logistical operations in direct support of the education mission of CAP's National Cyber Mission Team.

Areas of Responsibility:

- Manage hardware issued for the cyber education mission
- Implement and support the use of Microsoft Azure for cyber education
- Manage the Cyber Mission Team's use of Slack
- Other logistical duties as assigned

Desired qualifications:

- Senior Members - Completion of the Technician level of the Logistics Specialty Track, recommended; Completion of the Senior level of the Information Technology Specialty track, preferred.
- Good attitude with the ability to quickly integrate into a dynamic cyber mission team.
- Written communication skill: Ability to produce written information so that an intended audience understands the material
- Oral communication skill: Ability to transmit information by spoken word so that an intended audience understands the material
- Interpersonal relations skill: Ability to interact with others and avoid offense in dealing with people
- Familiar with CAP's guidance and regulations for logistics and information technology
- Some familiarity with cybersecurity, cyber defense and cyberspace operations
- Familiar with G Suite related collaboration

- Proficiency with the Azure platform, especially the Azure Labs service, is highly desired

Application Requirements:

- You should have your unit commander's permission before you apply. A letter of recommendation (LoR) from your Reporting Senior is highly desired.
- CAP and/or civilian resume
- You will report to Lt Col Bryan Pettigrew, Deputy Director for Mission Support

If interested, please contact Lt Col Bryan Pettigrew, National Cyber Mission Deputy Director for Mission Support bpettigrew@cap.gov, (571) 969-5894.
